Experiences

UX Designer & Researcher / Everstory

Sep 2026 - Present | Ann Arbor, MI

Responsible for front-end research and end-to-end app and web UI/UX prototyping. Created simple, intuitive interaction flows for an interactive children's map encyclopedia across web and mobile platforms.

Research Assistant / A. Alfred Taubman College of Architecture and Urban Planning

Nov 2025 - Apr 2026 | Ann Arbor, MI

Simulated sustainable redevelopment scenarios along Plymouth Roadcorridor aligning with U-M Campus Plan 2050. Modeled green building typologies and evaluated post-simulation impacts on household utility and transit costs.

Detroit Strategy Intern / Detroit Symphony Orchestra

May 2025 - Aug 2025 | Detroit, MI

Coordinated venue layouts, schedules, and audience feedback for Summer Concert Series alongside nonprofit partners. Analyzed Music Education survey data to design infographics and presentation decks for board review.

Gallery Assistant / Te Tuhi

Apr 2022 - Nov 2022 | Auckland, New Zealand

Supported daily operations, exhibition setups, and artwork logistics while welcoming visitors during public events. Managed calendars and artist-curatorial communications for the Parnell Project Space initiative.

Design Projects

Newtrality

Instructor: Bryan Boyer, Wonyoung So

Sep 2025 - Dec 2025

Designed a coordinated digital platform encouraging sustainable operations for Detroit's Eastern Market through centralized logistics and eco-friendly production practices.

GrassHop

Instructor: James Hovell

Oct 2024 - Dec 2024

Designed an event platform tailored for grassroots organizers and attendees. Built a final UX prototype featuring dynamic locality filtering, organizer logistics request workflows, and interactive 3D map navigation through user research and iterative testing.

Education

University of Michigan

B.S. in Urban Technology

Minor in Art and Design

Jan 2023 - May 2026 | Ann Arbor, MI

GPA 3.834/4.0, James B. Angell Scholar

Relevant Coursework

Drawing: Visualization, Strategic Design and Urban Systems, Service Design and Urban Needs, Interaction Design and Urban Experiences, Product Design, Digital Sculpture
